For more informations see our special price list/catalog of mattresses

SLATTED BED BASE

Wood slatted bed base with elastic stripes that help to support the weight. The metal frame is coated with epoxy powders with high resistance.

WARNINGS FOR SAFETY

** Before the bed opening is mandatory fix it to the wall with specific wall plug.
The fixing at plasterboard wall cannot guarantee the safety.

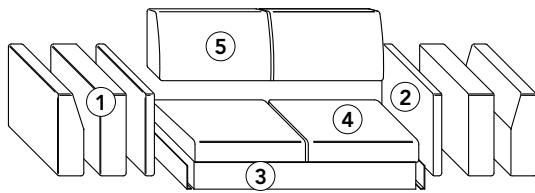

** The installer has to check the installation and the wall fixing before leave the bed to the customer use.
We suggest also to check the fixing to the wall regularly.

** Max capacity of the bed is kg. 200

** Assembly instructions are provided with the delivery.
